## **NOTES**

We are about to hit single digits on practice weeks before the showcase! Attendance is very important as we start to wrap up choreography and set spots.

We want all of our dancers to feel comfortable and confident taking the stage! Learning how to prepare and perform is a very important part of a dancers training.

We will be recording all the classes choreography and sending out a link to practice videos for dancers to use at home.

**Showcase details, ticket sales and rehearsal information will start going out this month!**

**If you are interested in being a back stage helper, please let Ms. Dalita know.**
